

FAQs

1. How many signals can I expect per week?

-You can expect from 10 to 20 signals per week.

2. How many analysis and trade ideas can I expect per week?

-You can expect from 10 to 20 analysis and trade ideas per week.

3. When should I expect the signals?

-London Time:

From 07:00 to 11:00 am

From 01:00 to 04:00 pm

4. What is your average stop in a trade?

-We use between 10 and 15 pips stop, but you can use it at your preference.

5. What is your average target in a trade?

-Our target is between 30 and 200 pips, but you can stay as much as you want in the trade.

6. What is your average ratio Risk: Reward?

-Our aim is a minimum of 1: 3, as we want to reach a ratio of 1: 5.

7. What is your style in trading?

-We prefer to trade a short-term, but we have trades, which duration is a few days.

8. How to use your trade ideas and analysis correctly?

-You can use them in several way:

1) By placing a pending order at the levels we will use for entry, stop, and target.

2) By placing alarms at the entry level and waiting for our trade signals with more details.

9. What kind of signals should I expect?

1) Trade signals (buy , sell)

2) Pending order signals (buy limit, sell limit, buy stop , sell stop)

3) Changes in positions (modify)

4) Closing order signals (stop loss, take profit, closed)

10. At which currency pair to expect signals and Trade-Ideas?

- You can expect signals and trade-ideas in

1) EUR/USD **3)** EUR/JPY **5)** GBP/JPY **7)** BTC/USD

2) GBP/USD **4)** AUD/USD **6)** NZD/USD

11. What is your target return in % per month?

-Our target is 10% profit per month.

12. What is the trading risk in one trade?

-Our risk in each trade is 0.5%.

13. Do I have to trade every day to make a good profit?

-Our personal opinion is that you do not have to trade every day to get a good profit. You should always set a goal and when you manage to reach it you should stop trading or reduce the risk in every trade.

14. How do I activate my Angels-Fx membership?

-You can activate your membership through our application in subscription section by debit or credit card.

15. Who is your payment provider?

-Our company "Angels FX" LLC uses the services of Stripe as a payment system provider.

16. Can I stop my membership?

-Yes, you can stop your membership from the subscription section in our application at any time.

17. Do I have additional fees when my membership is interrupted?

-No, you don't.

18. Can I then re-activate my membership?

-Yes, you can activate your membership by re-entering your debit or credit card in the subscription section.

19. Can I use your app on my phone?

-Yes, Angels-FX offers its application in Web version, Android and IOS.

20. Can I use Social Chat?

-Yes, you can share your opinion of the market with all our members by following the rules of social chat and not advertising any services.

21. Can I trade on the financial markets through your application?

-No, the application serves only to share our expectations about the financial markets.

22. What does Live commentary mean?

-Our traders will comment on the social chat the market during the sessions and trade they occupy.

VA Hello, Traders. We publish our trade ideas for upcoming week.

VA Vladislav Angelov 05.11.18 10:14 Hello, Traders. Do you see the move in GU?

VA Vladislav Angelov 05.11.18 10:45 We have pending order for sell at GBP/USD

VA Vladislav Angelov 05.11.18 11:00 What a chance.The market don't activate us for 6 pips and decline with 25.

VA Vladislav Angelov 05.11.18 11:06 We cancel our order for Sell at GBP/USD. I will wait for new opportunity.

VA Vladislav Angelov 05.11.18 11:17 I see we miss one entry in EUR/USD with nice Risk:Reward

VA Vladislav Angelov 05.11.18 11:42 Nice move in GBP/USD. I need to wait to see what the market will do and to find good entry.
